If your books aren't from those sources, you can still copy them to your Kindle. To move the ebooks onto your e-reader, connect it to your computer and copy the files over. In most cases, once your computer identifies the device, it will appear as another storage drive. If the ebook is in the PDF format and you want to read it on your computer, you'll need to have a free PDF reader installed on your computer before you can open and read the book.
