How We Got to Now | PBS

This series is about discovery, and the origination of what we take for granted. There is no in-depth treatise intended, but it reveals a path from the beginning of a technology, the advances along the way, and what we have now. Personally, even with my strong science background, it was fascinating.

How We Got to Now (TV Mini-Series 2014-) - IMDb

“How We Got to Now: Six Innovations That Made the Modern World” by popular science writer Steven Johnson describes, at a high level, how that wonderland came together over the centuries. It is important to note that “How We Got to Now” does not explore six discrete technical innovations.
